

Indian Mineral Congress & Exhibition

Sustainable Mineral Development Integrating CSR and Ecological Restoration : Vision 2050”

IMC 2013

February 2, 2013

Indian School of Mines, Dhanbad

Organized by

ISM Alumni Association

in association with

Indian School of Mines, Dhanbad

Bharat Coking Coal Limited, Dhanbad

Directorate General of Mines Safety, Dhanbad

and

Central Institute of Mining & Fuel Research, Dhanbad

Introduction

Mineral and energy resources are the ingredients of nearly all products that mankind use everyday. Expansion of mineral resources is a part of sustainable growth strategy. The rapid economic growth of India is faced with increasing challenges from the raw materials, energy and power sectors. With the rising need for speedy expansion in infrastructure development and GDP growth, the necessity of minerals, metals, hydrocarbons and power has become larger than ever. During the present decade, remarkable advancements have been made in the field of mineral resource development worldwide and framing of mineral policies for sustainable development. Mineral development has been considered detrimental to environment and local population which is a major hurdle. To create a scenario whereby such development becomes beneficial, mining must integrate project specific CSR and ecological restoration of mined out areas to provide a livelihood from forest yield including irrigation facilities during post-mining period. It is in this context, the Alumni Association of Indian School of Mines, Dhanbad is organising 5th Indian Mineral Congress and Exhibition 2013 (IMC 2013) at Indian School of Mines, Dhanbad on 2nd February 2013 with a primary aim to focus on issues related to the integration of need based CSR and ecological restoration for sustainable development of mineral resources with a vision 2050 and beyond. The conference will also deliberate on conservation of raw material resources and environmental safeguards to achieve towards green technology.

Exhibition

An exhibition for displaying state-of-art products (information/physical display), information on technology developed, pamphlets, literature etc. will be organized concurrently at the venue on 2nd & 3rd February 2013.

Request for stalls are invited for the Exhibition from manufacturers and corporate houses on the following sub-themes:

- Energy security
- Mine fire
- Economic benefits
- Corporate Social Responsibility
- Ecological restoration

- Waste and surplus water management
- Community Development and Rehabilitation & Resettlement (CD & RR)
- India's Mineral Resources: Demand & Supply
- Development of New Technologies
- R & D on related issues
- Entrepreneurship and employment generation
- Any other related areas.

Facilities: Stalls of size 150 sq. ft. will be provided with an enclosure, two tables and three chairs and electrical connection. Generator facility will also be provided.

Tariff: Rs. 50,000/- per stall (including 2 free delegates)

For further details and to avail the facility, Please contact the Convener (Exhibition).

Venue and Date

- Indian School of Mines, Dhanbad, Jharkhand- 826004.
- February 2, 2013, Congress
- February 2 & 3, 2013, Exhibition

Registration

The registration fees are as follows:

- Rs. 10,000/- per delegate from industry
- Rs. 5,000/- per delegate from R&D organizations and academic institutions
- Rs. 2,000/- per Research Scholar and Student delegate.

The registration fees do not include board and lodging charges.

IMC 2013

Arrangements for accommodation will be made separately for the delegates either in ISM campus or in Hotels at Dhanbad, based on availability. Delegates are requested to contact Dr. Ajay Mandal (e-mail id: ajay_mandal@yahoo.com), member of the organizing committee of IMC, 2013 for accommodation.

Organizational Sponsorship

The corporate houses and research & academic institutions are invited to sponsor the events of the congress in line with the tariff as shown below :

Corporate Sponsorship Rs. 10,00,000 (includes 15 delegates free)	Platinum Sponsorship Rs. 5,00,000 (includes 10 delegates free)	Gold Sponsorship Rs. 3,00,000 (includes 5 delegates free)
Silver Sponsorship Rs. 2,00,000 (includes 3 delegates free)	Bronze Sponsorship Rs. 1,50,000 (includes 2 delegates free)	

Mode of Payment

All payments may be remitted by an A/c Payee Demand Draft drawn in favor of “**IMC 2013**” payable at Dhanbad.
